**"I would like to thank you and your staff for the excellent buffet you provided for us at our wedding at Stanmer House. We were both actually amazed: the food was simply delicious and we have had a huge amount of comments from our guests concerning how good they thought the catering was. The food is the first thing people mention to us when we see them for the first time. It was a fabulous day and you contributed to that in no small way.**

**We have been to your restaurant many times so we knew the quality we could expect and you did a fantastic job. You are streets ahead of the competition. We have made sure that everybody who has enquired knows who you guys are and you'll be first on our list should we need any catering services in the future.**

**Yours sincerely, Mr & Mrs B."**

"We were delighted with our wedding reception at Due South. From the initial meeting with your team, I was reassured that Due South would provide a high quality of service for our day. We've had so much positive feedback from friends and family- you helped create some great memories- and the sun even came out for a few photos!

Thank you! Mr & Mrs J."

**"Thank you so much for organising our wedding day. It was unforgettably great- everyone had a wonderful time. All of our guests really appreciated the food, the service and the ambience!**

"I am writing to thank you for the food and service at my daughters wedding, it was simply superb. Your team were excellent - very friendly and helpful - they were only too happy to help beyond the call of their duty.

It was a superb day and we thoroughly enjoyed ourselves - we look forwards to visiting your restaurant for some delicious food in the very near future.
